### MISSIONAL PREACHING

For the last 8 months, North Pointe has been assisting two local Baptist Churches with missional preaching as their pastors have passed away. This has been a high honor to be able to serve these churches in this way. This week, Pastor Robby Frisone is preaching at Concord and Cameron Greenhaw is at Sunlake.

"I never felt like I truly belonged at NPC until I joined a small group Bible Study. I went from not knowing anyone to feeling like I was part of a family. We pray for each other, learn together, and know each other's daily lives. This is one of the reasons I became a Group leader myself!"
