

MISSIONAL PREACHING

For the last 8 months, NPC has been assisting two local churches with missional preaching after their pastors passed away. It has been an honor to be able to serve our sister churches by providing stability in a difficult time. Today is our final week of Missional Preaching. Please continue to pray for these congregations as they take their next steps forward and for today's pastors - Steve Miller at Concord and Steve Williams at Sunlake.

LIVESSENT

EMPOWERED AND LED BY THE HOLY SPIRIT

9.28.25

BaseCamp is our monthly event for the guys of NPC to walk together in humility & community. That means coffee, donuts, table talk about relevant life topics, and messages that are real & transparent and full of Biblical truths that can transform every area of your life. Don't miss it.

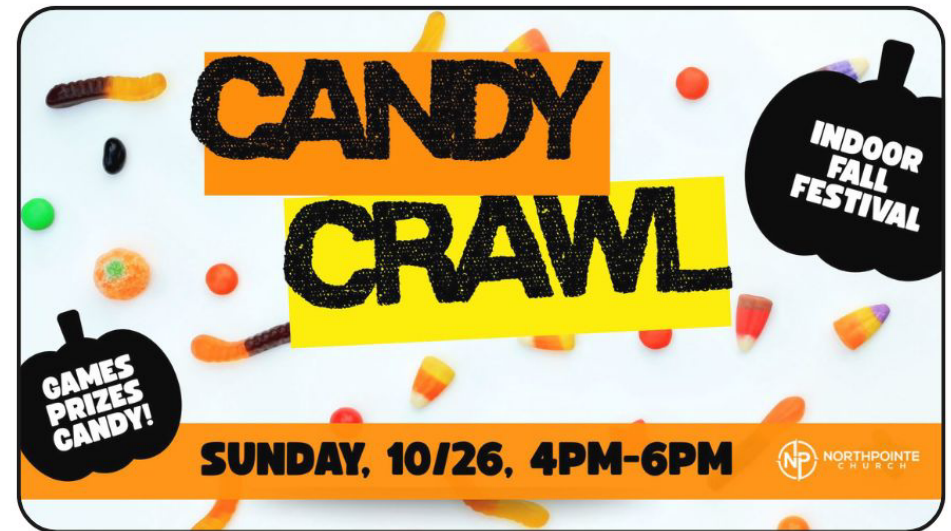

The Table this month is a night of Worship & Prayer! Join the women of NPC and let's fix our eyes on Jesus as we bring our voices and our hearts to Him. The Lord wants to meet with you and is saving you a seat! (No RSVP required. There will be no dinner this month.)

Is Baptism Your Next Step?

If you have made a decision to follow Jesus and have not yet been baptized, this is your Next Step! There are two more opportunities this year to publicly declare your faith. **Beach Baptism is October 12** or **Baptism Sunday is November 30** during all 3 services. Learn More or Register: northpointeFL.org/baptism

Let's Have Fun, Love & Serve Our Community!

You are invited to serve our community and NPC families at the 2025 Candy Crawl! This indoor fall festival will have booths for indoor trick or treating, games, activities, and lots of candy. Your help is needed to create and decorate table booths, help supervise games and activities, and donate supplies to make this event a success! Check out all of the options and find your spot on the Church Center App or northpointeFL.org/candy for more info.

Make Room

Our 10am service often reaches capacity on Sunday mornings. You are invited to give 8:30 or 11:35 services a try and help make room for more guests! Ten is the preferred service, so if you are able, let's help our guests feel welcome & comfortable by making some room. Special thanks to the Mills Small Group for spearheading our Guest Seating Team!

THANK YOU FOR YOUR PATIENCE!

Hillsborough County has recently changed the method for us securing Off-Duty officers to help us with traffic control after services. We are working the HCSO to resolve this issue and hope to have regular deputies again soon. Thank you for your patience as we work to help with the convenience and safety of leaving the property on Sundays! Want to join the Parking Team? Contact Hello@northpointeFL.org.
