and team who teach, lead, and love our children each week! Your investment of time and energy is helping the Next Generation become fruit bearing disciples of Jesus. Today's program is just a fun glimpse into what happens in our NPKids Classrooms every Sunday. Thank you to everyone who made today possible! Are you interested in joining the team and impacting hearts & lives for the Kingdom? There is a spot for you! Take your Next Step today on the Church Center App or at northpointeFL.org/serve.

We LOVE Sundays, and we also know that the time to really connect and grow together happens best in transformational communities. Now is the time to start planning for new small groups, D-groups, clubs, and Bible studies to launch in the new year. Are you interested in leading or hosting a small group?
