## Essentials Class

— DISCOVERING THE WHO, WHAT & WHY OF MEMBERSHIP —

**Next Session: July 24 & July 31**

Church is not a place you go to, it's a family you belong to. In this 2 part class, you will discover what church membership is, and why it matters. We will dive deeper into the beliefs, history, and vision of NPC and have Q&A time with the staff and leaders. Are you ready to go *All In*? **RSVP: northpointeFL.org/classes** **If you are already a member and have never attended this class, we encourage you to join this session! This summer class will have plenty of space for everyone & we would love for all NPC members to complete this class, even if it was not available when you joined. Please RSVP!**

**BAPTISM | Sunday, August 26, 10:30am**

Baptism is a celebration of you choosing to make Jesus Christ the Lord of your life. It is the public display of the inward decision that a person has made to follow Jesus as forgiver & leader. Baptism is the Next Step of obedience after making a commitment to Christ. More info or sign up: northpointeFL.org/baptism

There will be no Journey THIS Wednesday, July 18. Pray for our students as they are serving and leading at Discovery Camp this week!
