

Thank you to everyone who donated backpacks & school supplies last week! After our Game Night collection, we were able to donate brand new backpacks with needed supplies for each child at Advocates of Love! They are being delivered in Dominican Republic this week! We were also able to share supplies with local children in foster care in our community through A Door of Hope.

HEAR THE VISION | FIND YOUR PLACE

Next Session: August 14 & August 21

Church is not a place you go to, it's a family you belong to. In this 2 part class, you will discover what church membership is, and why it matters. We will dive deeper into the beliefs, history, and vision of NPC and have Q&A time with the staff and leaders. Are you ready to go *All In*? **RSVP: northpointeFL.org/classes**
If you are already a member and have never attended this class, we encourage you to join the next session! We would love for all NPC members to complete this class, even if it was not available when you joined. Please RSVP!

We believe God has given us gifts and talents to glorify Him and that our kids can start now learning to use those talents for God! On Wednesdays, our elementary-age kids have the opportunity to explore these gifts and talents. We are currently on break for the summer and will start back up on August 22nd with a brand new exciting format!

All kids will gather for Bible time together and then split into their clubs. Kids have two options this fall: **Music & Drama** or **Art & Games**.

Fall Kickoff: Wednesday, August 22

6:30pm-8:00pm

Space is limited. Sign Up Online: www.northpointeFL.org/kids

Kids can be dropped off as early as 6pm to play games and hang out together before we get started!

We are praying for all of our students and teachers starting back to school! Whether it is public school or private school, home school or college, one of the most important things we can do for the new school year is pray with boldness on their behalf.
