My Paul & Silas Story | Pastor Steve Wells | 11.22.2020
Replay message at: <http://www.northpointeFL.org/messages>

This morning Pastor Steve spoke about how God helps us and leads us through challenges and circumstances and how sometimes, we end up somewhere we never should have been--in a good way. God gives us opportunities and testimony that we can use for ourselves or we can leverage it for His Kingdom and His Glory--just like Paul and Silas did in Acts 16.

Read Acts 16

Because Paul and Silas chose to stay, they were able to use the freedom God gave them to bring glory to His Kingdom and change the life of the jailer and his family. God has placed a story within your life that is meant for someone else to hear--it is your choice whether you keep it for yourself or you share your story in order to grow His Kingdom.

Pastor Steve challenged us with 4 Steps:

- 1.) How does this connect to your life--What is your "I shouldn't be here" story?
- 2.) Spend an extended amount of time this Thanksgiving, thanking God for what He has done for you and in your life.
- 3.) Who do you know, who needs to hear your testimony? Who is the jailer in your life?
- 4.) Will you be willing to commit to sharing your story with that person before the end of this year?

If you are comfortable, let's practice now and share your story within your group.
