For the last 4 weeks we have been focusing on what is a healthy marriage and ways to have one. Read the summaries for a quick refresh--then answer the questions below.

Week 1 - Keep God central in your marriage. Three-cord strand in (Ecclesiastes 4:9) is not easily broken.

Week 2 - Avoid hurtful & thoughtless communication--Out of the overflow of the heart the mouth speaks (Jesus says in Matthew). The closer you are to a person, the more their words can penetrate and hurt your heart.

Week 3 - Forgive Each Other. Don't resurrect something that you have already forgiven.

Week 4 - Work at home--moving your marriage from "alright to amazing" (It takes work at home to make a marriage work at home).

Reflect on the last few weeks with your Small Group, Family, or in your Personal Prayer Time.

- Which topic stood out to you the most?
- What did you take away from these Sermons?
- What/how can you apply this to your marriage?
