

Here's what happens...

In this mysterious Bible story, God takes Elijah up to heaven in a chariot of fire drawn by horses of fire. The chariot is caught up in a whirlwind, carrying Elijah to heaven. Elisha looks on, upset that Elijah is gone but ready to carry on his legacy. These strange events show that God is mysterious.

Bible Point:

God is mysterious, so we have faith.

*“For I am about to do something new. See, I have already begun! Do you not see it?”
(Isaiah 43:19).*

Family Together Time

- Walk around your home together.
- As you walk, pause to wonder about how things work. For example, how does a lightbulb make light? How does an oven make heat? How does a toilet flush?
- Brainstorm possible explanations.
- After you've toured your whole house, sit down together and talk about this question: Which things that we wondered about are the biggest mystery to you?
- Talk about the idea that we believe in things working even when we can't understand what makes them work, and we can also believe in God when we don't understand him because we see him working.
