**Pre-Decision:** I will walk in transparency and community with other mature believers.

*"You are a direct reflection of the top 5 people you spend the majority of your time with." — Zig Ziglar*

Do you have people in your life that you can be truly transparent and honest with?

We all need:

- **Mentors**
  - Three Phases of Mentors
    - Parent/Teach & Guide
    - Mentor/Coach
    - Partner/Walks Alongside
- **Intimate Friendships**
  - Those who are walking close with the Lord, who you can talk about the personal & private, intimate, confidential details of your life with.
- **Inner Circle of Friends**
  - Like Peter, James & John
  - Mary, Martha & Mary Magdalene

Make a list of people in your life that fall into these categories above.

What steps can you take to build relationships in the areas where you lack these relationships?

Are you walking in transparency & community with other relationships that stand in contrast to these types of healthy transformational relationships?
