NAME

CHRISTMAS AT NORTH POINTE CHURCH

Throughout history, we have given God different names. But what title accurately describes Him? In the Bible, God is called by many names. What do they reveal about Him and what do they mean for us today? Can knowing these names bring the comfort, healing, or peace you are seeking? In a world full of uncertainties and noise, the Christmas season is an invitation to lift our eyes from the chaos surrounding us and set our minds on things above. To fix our eyes on Jesus. To remember God's heart and love for us. To believe that you are not forgotten or insignificant. To trust in His provision. To lean into His presence. To experience His peace. To know He is Lord. Join us Sundays in December as we explore some of the names of God together and learn to walk in confident hope.
